

Need help finding a dentist?

Use the *Online Doctor & Hospital Finder* to search for dentists who participate with your plan. Here's how it works:

- Visit HorizonBlue.com/doctorfinder and sign in or continue as a guest. If you need to search nationally, please note there is an option later to choose the location.

- Select *Dental* in the *What type of care are you looking for?* menu.
- Choose your dental plan from the drop-down menu so the correct list of dentists appears.
- Add your location. Here is where you can use out of state zip codes/locations to search nationally for dentists.
- You can search by a specific dentist, dental practice, or dental specialty. Once you select a provider option, the search will automatically generate.
