

Request For Proposal

Monday, January 10, 2022

Intent for project is to furnish and install casework including countertops, sinks and faucets for selected areas including examinations rooms, women's health treatment room and selected other areas at the Henry J. Austin Health Center located at 321 North Warren Street in Trenton, NJ. Bidders shall meet the requirements of the current New Jersey public work contract Law.

This contractor shall closely coordinate with the current plumbing subcontractor to make necessary domestic water piping and sanitary connections.

Work shall be accomplished in two (2) phases in an occupied facility. Contractor shall cooperate closely with general contractor currently working on the premises.

Deadline for questions shall be January 23, 2022. The current anticipated bid due date is February 12, 2022.

There will be no formal on-site pre-bid meeting. Bidders are encouraged to visit the site to observe existing conditions. Site visits shall be coordinated with Henry j. Austin. To coordinate a site visit, contact **Gene Bouie, Director of Operations, 609-278-6344.**
