

# A *Vision* FOR TRENTON YOUTH

Join HJAHC to help eliminate health disparities and learn more about what we are doing to provide **FREE** eye screenings, exams and prescription glasses to every child in the Trenton Public School District.

**Did  
you  
know?**

**95%**

of students in underserved communities that need glasses, do not have them.

## Pop-Up Galleries & Community Events

Trenton students want to show you their creativity and all they can accomplish with support and access to vision services!
